About The Company

Who We Are?

OUR VISION

To become a brand that maintains its position as leader in logistics, creating differences and growing continuously.

OUR MISSION

The Company is an innovative and leading company that provides logistics services.

OUR GOAL

To create a service-based company whose first ambition is to meet and exceed the customer expectation and to establish a sustainable business.

Our Values

Customer Orientation: To meet current and future expectations of customers in accordance with “Win & Win” philosophy and putting in consideration the customer satisfaction.

Learning and Improvement: To ensure continuous improvement by acquiring information and adjusting our behaviors in a way that will lead to improvement and change.

Employee Satisfaction: To meet and exceed expectations of our employees by increasing social sharing and ensure mutual respect among employees for the purpose of enabling social communication.

Team Spirit: To solve problems together and share successes.

Reliability: To keep promises given by us to stakeholders, not to lie and to adapt to ethical values.

Taking Responsibility: To undertake even difficult jobs, forcing our limits of knowledge.

For a comprehensive list of our services please visit our Website, or email us at: info@teu-eg.com

“We fly to each point in the world ... “

With our wide network of agencies that covers the entire world, our qualified staff and robust infrastructure, TEU Air & Sea Cargo fully provides consolidated, express, door-to-door, export transportation, complete transportation and multi-modal transportation-services. Acting based on the philosophy of being a strategic business partner for our customers, we provide aircraft charter, degradable and hazardous goods transportation and contract services with space guarantee with ship owners through our worldwide active powerful network.

Air Freight

Trucking

We operate a wide range of specialist vehicles with multiple strapping points and padding to safely secure equipment for transit.

Configured specifically for the safe movement of fragile equipment, these are smooth air-ride vehicles with high capacity tail-lifts for careful product moves of over 7 tons.

Our crews are all trained to a high standard to protect, secure and deliver your equipment in perfect order.

Customs Brokerage

TEU has Customs Brokerage team is one of the main strenghts Services that we offering to our clients.

Offers customs clearance at all Egyptians ports, like Alexandria, Port Said, El-Sokhha and Damietta ports, as well as Cairo International Airport, 10th of Ramadan, 6th of October and Auga.

We provides various clearance services catering to your diverse bussiness requirments such as temporary import, drawback, in transit and final import.

Supply Chain Solutions

Our logistics professionals are available to provide advice on, and solutions for, all of your importing and exporting needs.

Using their comprehensive market knowledge and extensive multi-modal contacts they will find you the most effective and cost-efficient solution for every challenge.

From occasional consignments to regular shipments and even optimisation of your entire supply chain, we'll create a tailored blend of road, rail, waterways, sea and air that will support your business growth.

Quality Policy

“

TEU Management believes that quality means customer satisfaction and aims to provide services without any faults and reaches superior quality level at a low cost.

Accordingly, TEU Management adopts the Excellence Approach that properly meets expectations of their customers, employees, suppliers, society and shareholders and focuses on continuous improvement, learning and innovation.
